www.westafterschoolcenter.org

Creating educational, social, and cultural opportunities for students and families in our community.

We provide 50-75 students with a safe place to play, enjoy an afternoon snack and also dinner for the majority of students.

Children in our program need remedial help in reading and math. We extend the school day curriculum to reinforce students' classroom skills.

We include creative art, such as fine arts, music, drama and movement, as well as activities that promote a healthy lifestyle.

Some of our students live at the homeless shelter. They benefit in many ways by attending our program. We strive to fill these children's lives with positive support and reinforcement. We have provided them with clothes and school supplies.

The West After School center is the sponsor of the Summer Food Service Program in in the city of Lancaster during the summer months.

The West After School Center also sponsors afterschool programs at Cedar Heights Elementary School, East Elementary School, and Tallmadge Elementary School in Lancaster.

Watch our television show, Healthy Living for Kids, on the Lancaster Schools Network (Time Warner Cable) on Wednesday, Thursday, and Friday evenings at 7:30 p.m.

Our purpose is to provide a high quality, affordable, fun and secure before and after school childcare program for the families of West Elementary School.
